

Liudmila Baranova

Liudmila is one of our **Managers**. She is responsible for the Fishing Department and works mainly with Russian clients and foreign outfitters. She speaks English and German.

Liudmila was born on 21 October 1982 in Zheleznovodsk, Russia. In 2005 she graduated from Pyatigorsk State Linguistic University as a Bachelor of Linguistics.

She is a hardworking and very friendly person with great job and travel experience. To gain such an experience she worked in educational tourism (student international exchange programs) in Youth International Center, Moscow in 2005-2007 and took part in following volunteer projects:

- Work and Travel summer program in the USA (2003, 2004)
- International educational project "Foreign Languages Teaching", Morocco (2007)

Liudmila started working at ProfiHunt in 2007 and quickly became a highly skilled manager. In 2008 she started developing special fishing programs and establishing communications with new partners all over the world. Liudmila also has experienced firsthand such fishing destinations as South Africa and Mauritius.
