

Alexander Melnikov

Hunting department manager.

Since the childhood Alexander's father and grandfather instilled him hunting and fishing in the vast expanses of Siberia. Even before Alexander was 13 years old, he could boast of African trophies such as zebra, impala, warthog and participation in the hunt for elephant, buffalo and lion.

Upon entering into the taste, Alexander began to take part in the hunt in Kamchatka, the Caucasus, Kyrgyzstan, Kazakhstan, Spain and all over Russia. First time worked for ProfiHunt in 1998, taking part at hunting exhibitions in Germany.

He graduated from the "Academy of National Economy and Public Administration under the President of the Russian Federation", speaks perfect German and good English.

Finally he joined ProfiHunt in 2015.
