

Dave Wiens (AB, right) scored with this Marco Polo argali in Tajikistan, November 2006.

This came in from **Dave Wiens** (AB) regarding his most recent hunt for Marco Polo argali in Tajikistan:

I want to personally thank you for helping me make the connection with Umit in Istanbul. He was so helpful in helping me get through Turkey with my gun. I am sure my contact with him will be useful and enjoyable in the future. As you can see, I got a nice Marco Polo ram. Our group scored on all our tags and had an awesome trip. I'm sure a number of hunt reports will follow.
