I hope you notice early in Chris's report that he was the high bidder for that hunt, donated by **Profi-Hunt Ltd.**, at the 2006 GSCO convention. Guess what? Profi-Hunt has once again donated a Koryak snow sheep hunt for our 2007 convention! You can see the details in the auction book enclosed with this issue. time. I had made arrangements far in advance to secure a second tag. This is a rare opportunity, and I did not want to miss out. I was not disappointed, as I got two beauties. Profi-Hunt does a great job. My guide/interpreter, **Vladimir Koshcheev**, was just great and a true professional. Profi-Hunt is fortunate to have him and other fine professionals on their team. Thanks to all of them for their continued support of GSCO... see them in their booth at Tunica.
