

Speaking of the Caldesi Award, the following letter came in from **Lodovico Caldesi** (Italy):

*The Carlo Caldesi Award committee is pleased to announce that the fantastic Gobi argali (new world record, 226 3/8) taken by **Gary Hansen** (CO) is the winner of this year's edition. The award ceremony took place during the **SCI Italian Chapter** convention on June 6 & 7, 2008, in Milano Marittima on the Adriatic Sea.*

Gary Hansen (CO) was the 2008 Carlo Caldesi Award winner. He received the award in Milano, Italy, in June 2008.
