

We are pleased to announce that **Jim Boulton (IL)** has reached Triple Slam status. Jim completed his Grand Slam back in December 1999 by taking a desert ram in Mexico. Next was his Capra World Slam in November 2004. Now Jim has scored with an Ovis World Slam. Jim achieved this by traveling to Russia and getting both a Koryak and Kamchatka snow sheep in September 2005. Jim was at our February 2006 convention and received a recognition award for both of these Slams. Congratulations, Jim!
