

John Gulius (PA) and his mid-Asian ibex from Kyrgyzstan, November 2007. John hunted with Vladimir Koscheev and ProfiHunt.

Mid-Asian ibex

My mid-Asian ibex hunt was in Kyrgyzstan with Vladimir Koscheev and ProfiHunt in November 2007. I was able to make a steep uphill shot to take my ibex, and got a nice “scope eye” to go with it. The local guides were good and Vladimir was great to be with throughout the whole trip.
