

Handgun hunter Mark Hampton (MO) with his 12th and final trophy toward his Ovis World Slam, a mid-Caucasian tur, September 2010. This tur also completed Mark's Triple Slam.

We recently received a report from handgun hunter **Mark Hampton** (MO) about his September 2010 hunt in the Caucasus Mountains of Russia, where he took a mid-Caucasian tur. Mark had this to say about his hunt:

*Mike Adams and I enjoyed a successful trip organized by **ProfiHunt**. Taking this mid-Caucasian tur fulfilled several goals: 1) It completed my Ovis World Slam; 2) It also completed my Triple Slam; 3) I have now taken all three tur and the Caucasian chamois from this incredible mountain range. It was a tough hunt, but a great experience.*
