

Mike Adams (LA) took this Kuban (Western) tur on a September 2007 hunt with Profi-Hunt and guide Alexy Maximov.

Mike Adams (LA) sent a photo and short note to document the Kuban (Western) tur he took in September 2007 with **Profi-Hunt**. The only details Mike gave were, “**Alexy Maximov**, Profi-Hunt’s guide, accompanied me on the hunt. It was enjoyable but tough.” That echoes the sentiments of practically every other tur hunter, Mike. Thanks for the photo and report!
